

**Are people being tested in our District?**

Yes, currently tests are being done on people from our communities. The people who are being tested fit the criteria given by the State and deemed "at risk".

**Is it correct that I cannot camp outside of my County?**

That is correct. Residents are still allowed to go camping, but only in the County you currently reside in. This does not apply to day trips.

**Is it true we cannot backcountry camp or do River Runs?**

There is no camping of any kind allowed unless you are a resident of that County, and in no groups over 10, unless they are all of the same immediate family. There may be day trips, but again no groups over 10 involved in the day trips.

**Does the latest Amended Health Order pertain even if we had already made reservations through Airbnb a couple months ago?**

Yes, this is for all reservations through 4/15/2020. For those who checked in 3/17/20 or earlier can continue out their stay, but no new check-in's. There are exceptions listed in the order.

**What about reimbursements for businesses closed due to COVID-19?**

Your business should look into relief efforts offered by the Small Business Association who has pledged help for this area.

**Should refunds and deposits that were made to hotels and rentals be returned, or what is recommended?**

Each business should look into their internal policies, but we encourage businesses to be as flexible as possible.

**What if businesses refuse to close or they continue to allow people to check-in to rentals?**

These businesses will be subject to the punishments listed in the Amended Public Health Order and may be subject to revocation of current and future permits.

**Are all salons & tattoo shops closed?**

At this time, yes. This includes in home salons & shops.
